

## \* BAROOSA \*

Baroosa is the daughter of a Barbarian chieftain killed by a lord of a crystal city. Even as her mother flees with the tribe deeper into the desert wastes, Baroosa stubbornly set out to gain vengeance. She is armed with Magocck, her father's sword, which speaks the seven languages of wind. With her prayers to the Purple Moon to guide her, she sets forth to kill the man who killed her father.
